ONE-TO-ONE INSTRUCTION is being offered in preparation for taking the PSAT, SAT, ACT, GRE, NTE, and GED examinations. PSAT and SAT preparation work covers the verbal and/or math sections of each exam and is generally taken for a period of two or three months prior to the examination. For ACT preparation, a choice can be made between verbal, science, social studies and mathematics sections, and is generally taken for a period of two to three months prior to the examination.
